

Verona

Verona is our latest innovation of outdoor steel furniture, designed with simple geometric lines and square hole patterns. This modern looking range looks great in any setting, from patios and balconies to lush gardens and by the pool. Verona is a clean, sharp looking collection, dressed to impress!

The olive coloured frames are powder coated in a durable semi matt textured finish. The Verona lounge seating comes with soft cushions in a Pistachio colour fabric to contrast with the olive frames. The stacking chairs make Verona an ideal choice when storage is required.

Maintenance

The Verona range requires minium maintenance, although we recommend cleaning your furniture annually. Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.

For any surface scratches please contact customer services where you can purchase colour matched touch up paint.

Cushions are made from Polyester and can be cleaned with our Fabric Cleaner and a microfibre cloth. Once dried we recommend applying a layer of our Fabric Protector. Store cushions in a dry place when not in use.

From time to time check that there are no loose screws on the tables, as this can cause damage to the table legs.

Spare foot caps can be purchased at parts.alexander-rose.co.uk.
