SWIVEL

Special swivel for hanging chair

Those who do not have a power hook for their hanging chair require a swivel to deal with the rotation.

Swivel provides a gently rotation in the correct direction. At the same time it protects the suspension from too heavy turns and against breaking.

With an abrasion-resistant nylon disk with split pin and safety string.

Product data:

max. 200 kg	ca. 0,3 kg

- Item number/EAN: AZ-3040000 / 4030454000055
- Material: Steel (galvanized), nylon
- Packaging: Header card with product information and enclosed instruction (18 languages) (see illustration above)
- Can be combined with: Hanging chairs (Load capacity: max 200 kg!)
- Customs tariff number: 73269098900
- Country of origin: China
- Individual pack dimensions: approx. 215 x 100 x 20 mm
- Master box: approx. 310 x 225 x 240 mm / 15 kg / contains 50 units
