## BRASIL

From Brazil, the home of the best siestas in the world, comes the place for dreaming. With a width of 1.30 m and a length of 1.60 m, the Brasil is king size and therefore almost as big as a classical Brazilian hammock. The quadruple stitched ends and the extra thick 400 g/m<sup>2</sup> woven material guarantee the highest sturdiness, as with all of our Brazilian hammocks.

The Brasil Chair has a strong 40 mm diameter x 1.10 m long wood bar with a special patented design that secures the ropes and prevents sliding toward the center.
